The 12th JSST held in Korea

The 12th JSST 2013 was held at Jeju National University (International Exchange Hall), Korea from June 5 to June 7, 2013.

At the opening ceremony, Prof. Hyangjin Huh, the President of Jeju National University and Prof. Fukunaga, Vice President of Nagasaki University gave opening speeches.

15 Professors and 13 graduate students from the Graduate School of Engineering, the Graduate School of Fisheries Science and Environmental Studies Nagasaki University, and approximately 40 students and Professors from Jeju National University attended the symposium.

The keynote speeches were given by Professor Hyun Jung Kim and Professor Fukunaga, and 18 oral presentations, 27 poster presentations were performed.

The presentation topics ranged of fields such as Mechanical Engineering, Electrical and Electronic Engineering, Information and Computer Engineering, Chemistry and Materials Engineering, Environmental Engineering, and Fisheries, with enthusiastic discussion held at both oral presentations and poster presentations.

Three graduate students from Nagasaki University and four graduate students from Jeju National University who performed oral presentations were selected for the “President’s Award for an Outstanding Academic Paper” based on the content of the paper, presentation, and question session for the first time.

The 13th JSST in 2015 will be held in Nagasaki University.
